

Dear Sergey

Merry Xmas and Happy New Year!

It's clear that more and more pilots and controllers now understand that ICAO Level; 4 is the minimum level of English required and that to improve their career opportunities ICAO Level 5 is now required.

2015 has been another great year for the training programme 'Climb Level 4' ... it's been used by 1000's of aviation professionals to help them reach ICAO Level 4 or 5 ... take a look [here](#) to read what some of our users think about the programme.

To celebrate such a strong year we are pleased to announce a 60% discount for registrations received before 7th January 2016 (the date to begin the programme can be anytime before 1 April 2016).

If you or any colleagues are interested then please let me know as soon as you can. This offer is limited to the first 150 registrations only.

Climb Level 4:

- The leading online, self-study programme for aviation students and professionals aiming to reach ICAO Level 4 or ICAO Level 5.
- Assessments calibrated against the ICAO scale
- Comprehensive training in grammar, vocabulary, listening and speaking
- 100% Aviation English curriculum
- Speech-recognition technology for pronunciation and fluency training
